Ken Pittman

Beloved Husband, Father, Teacher, and Friend
1946-1999

Thank you Ken for being there
and for showing us the way
To seek justice which repairs
the devastations of poverty;
To seek liberty which extends
to the captives of violence,
To seek healing which binds up the
broken
bodied and the broken hearted;
To seek the good news of love
that binds us as a community and
family;
Thank you for showing us how to act
with justice, love tenderly,
and serve one another.

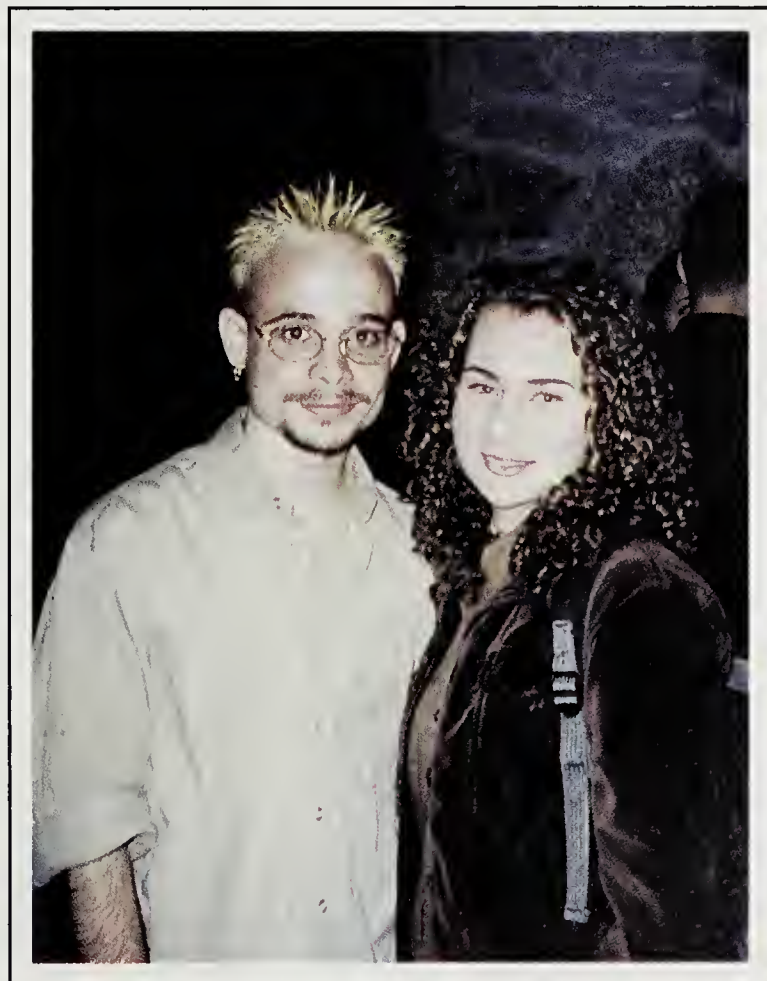

Gracias Ken por estar siempre con
Nosotros y enseñarnos la manera de
Buscar justicia para reparar las
Devastaciones de la pobreza;
Buscar libertad para ofrecerla
a los cautivos de la violencia;
Buscar curación para ayudar
a los que sufren de cuerpo y alma;
Buscar las buenas noticias de amor
para unirnos como
comunidad y familia;
Gracias por enseñarnos como actuar
con justicia, amar tiernamente,
y servir a otros.

Hall OF FAME

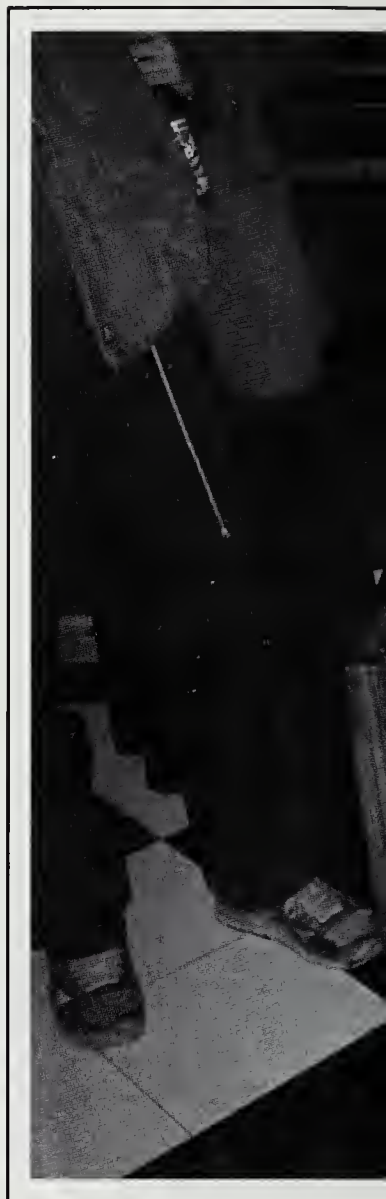

At Manhattanville, the students are the heart and soul of the campus. We have a bond that can never be expressed in words, but it's because we share something more than just a campus — we share a home. Through our different lives and experiences here, we have created our own scrapbook of pictures and memories. The following pages highlight some of our collective remembrances and high points, in a special Hall of Fame.

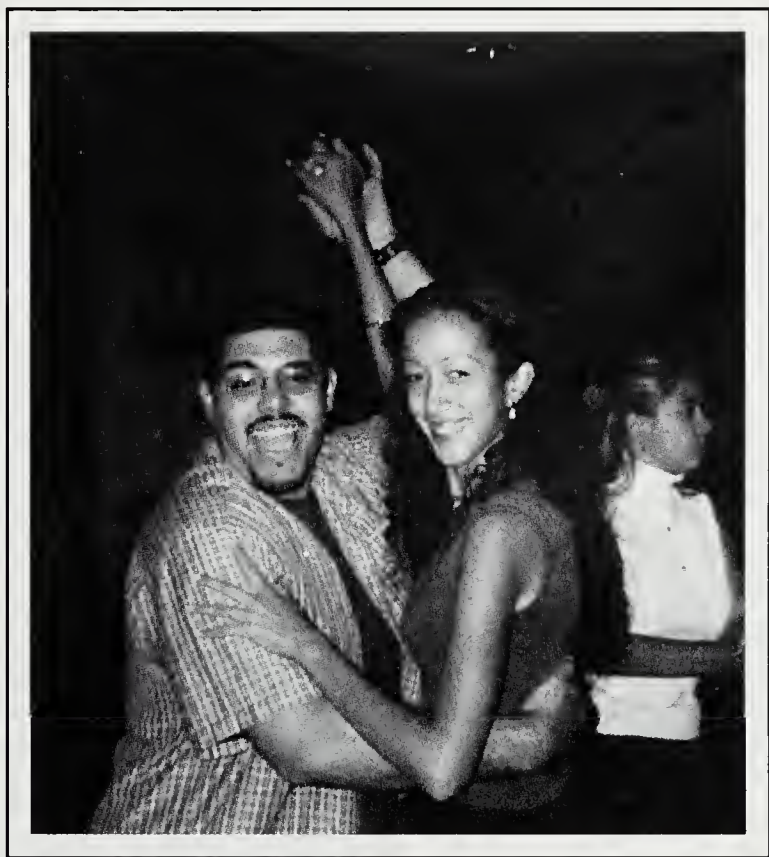

Stars of M'ville

The graduating Class of 2000 has been an integral part of the Manhattanville community for four years. During these years, we have proven that we are Stars of the Millennium in every way — from the events we've thrown, parties we've gone to, countless days on the Quad, Fall Formals, Spring Formals, Fall Jams, Quad Jams to all the memories we have created. One thing we all share is that we, as individuals, have come together as part of this special community. Our beautiful campus has been our home over the past several years, and we have become family by being a part of this close knit community. You can always find a professor, administrator or friend to talk to, and we can always find President Berman out mingling with the students somewhere on campus. We have had some laughs, some tears, some good times and some bad, but we have shined during our time here and left our mark on Manhattanville as the Class of the Millennium. M'ville and the times we shared here will always be in our hearts and memories.

Orientation

"Make Your Move" was the Orientation '99 theme for the incoming Class of 2003 and the 100 or so transfers that came in with them. It was an appropriate theme because Orientation kept everyone moving — the Orientation Chairs, Daniela Brunetti-Huneke, Jose Calderon and Chris Giza; the Orientation Advisors (fondly known as OAs) and the new students. All who attended deemed it a success, and the OAs, despite all the hard work, had a great time and made new friends. All those who worked on Orientation will always fondly remember 4 am balloon blow-ups, golf carts, Security pranks and walkie-talkies.

The orientation team takes a break for a group picture.

Shellye and Chris give a thumb's up!

We would like to introduce Tweedle-Dee & Tweedle-Dum.

To The Class of 2000:

This is a time to celebrate, to reflect on the past and consider the future. This is your time! I have watched each of you grow in your own way during your time here and I've seen you incorporate the traditions of this college into everything you do.

As you venture into the world, I hope each of you will reach out to make a difference in someone else's life.

I hope that you will set high standards for yourself, for this next century, and that you will strive to make this world a better place as we begin the new millennium.

I urge you to continue to remain connected to Manhattanville — to share your discoveries, your inspirations and your trials — through email, by phone, and by visiting. And please, if you live nearby, continue to utilize the resources we have here on campus.

Thank you for sharing some of the most important years of your life with Manhattanville and with me. I know that you will take what you have learned here in this century and bring it with you to the next, where I wish you happiness, good health, and personal and professional satisfaction.

I will truly miss you, Class of 2000 — the first class of the new millennium!

Sincerely,

Richard A. Berman
President

Family Day

Manhattanville opens its doors to the family and friends of all students for the annual "Family Day." The day is an opportunity for extended members of the community to meet administration, staff and students. It is the time when our families hear President Berman talk about his favorite subject — the four core values — and how they are applied to our every day life. Families attended games at the Athletic fields or took a trip to the White Plains shopping malls. At the Student Activities BBQ/Fair, families got photo key chains, caricatures and food. The day ended on a high note with the semi-formal Dinner/Dance that had young and old partying together.

Can someone please help me?

I did it!

FALL JAM

One of the highlights of the Fall semester is Fall Jam. A smaller version of the Spring's Quad Jam, Fall Jam is the all day party on the Quad featuring Manhattanville's favorite bands (IZZ and Guy Smiley), vendors, games and the popcorn/cotton candy machines. This year, we had a gorgeous day and the best Fall Jam yet. Traditionally, the bonfire behind Tenney follows Fall Jam. Both Fall Jam and the bonfire were a success and gave the students a day to chill and enjoy the music, a night to warm up by the fire underneath the stars, drink some hot chocolate and bond with each other.

Let The Games Begin!

Help! We've fallen and we can't
get up!

FLIK

Can we help you?

PUB

You should really try
some of this!

If they only knew.

HALLOWEEN

With the Castle and nun's graveyard right on campus, Manhattanville is definitely the perfect place to celebrate Halloween. The Castle always seems to have an eerie glow on the 31st of October and some students even claim to see ghosts! This Halloween, students dressed up in all sorts of different and crazy costumes, trying to outdo one another. Prizes were awarded to those with the best costumes. The East Room is the sight of the Halloween party and dance, where the students partied the night away.

Come on Christian, we all know that's you in there!

It's alive!

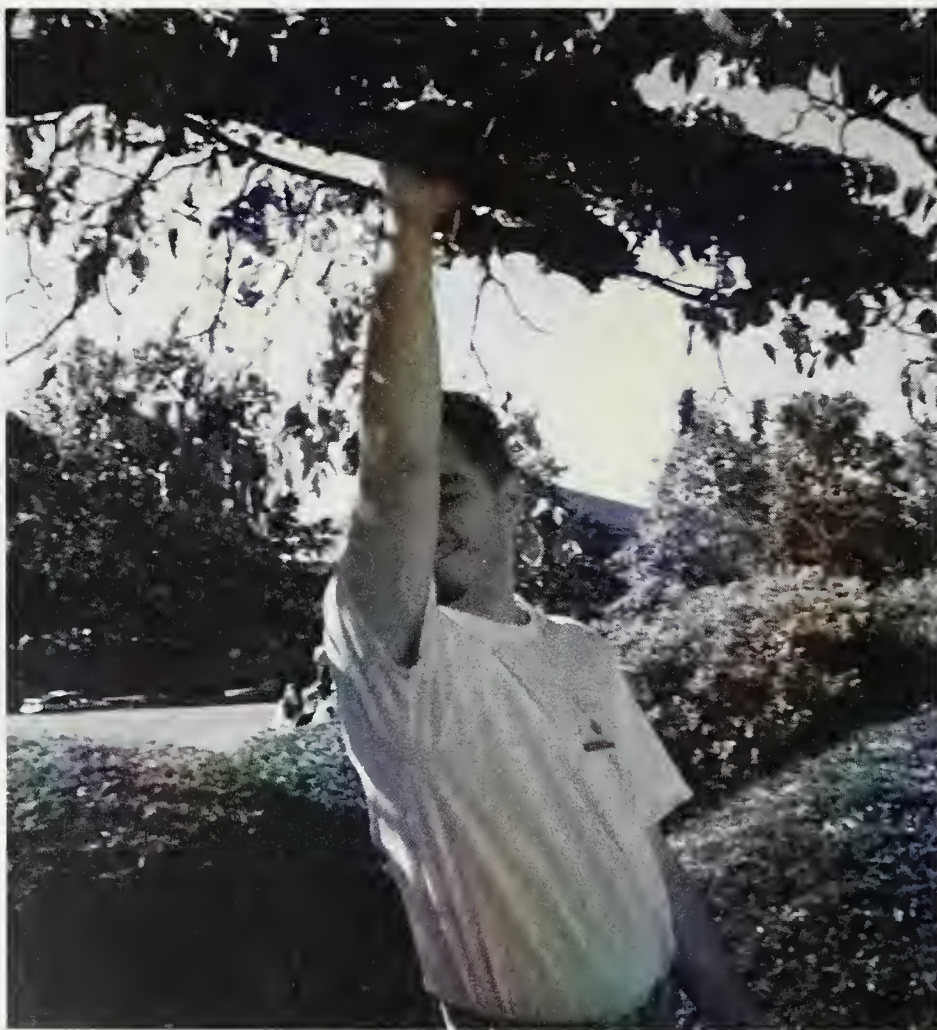

No one ever said that I am really an angel.

QUAD

Your M'ville experience is not complete until you have spent an afternoon enjoying Quad Life. On any given sunny day, the Quad is full of students sunbathing on blankets, reading, playing music, talking or playing games. It is not unusual to run into President Berman,

Raise your hand if you're sure.

LIFE

Mary Corrarino's dog Annie, or professors walking around and chatting with students. On a clear day, you can even see Manhattan in the distance. The Quad is the center of Manhattanville life and a perfect place to spend a beautiful day.

Time for a hug!

Entente

Every semester, Student Government sponsors an Entente. The Fall and Spring Entente provide an evening of socializing and mingling for the faculty and students. During the Fall Entente, two awards are given to students. The recipient of the Clarence Coder Award is a sophomore who is dedicated to public service and plans to work in a related field. The Class of 2000 recipient was Erica Padilla, who won the award in 1997. The other award is the Ken Johnson Scholarship, presented to a senior who has overcome difficult circumstances and responded with humility and loyalty to Manhattanville. This past Fall, the award went to Tanya Pina. The Fall and Spring Entente are always a huge success, with an incredible turnout and a good time had by all.

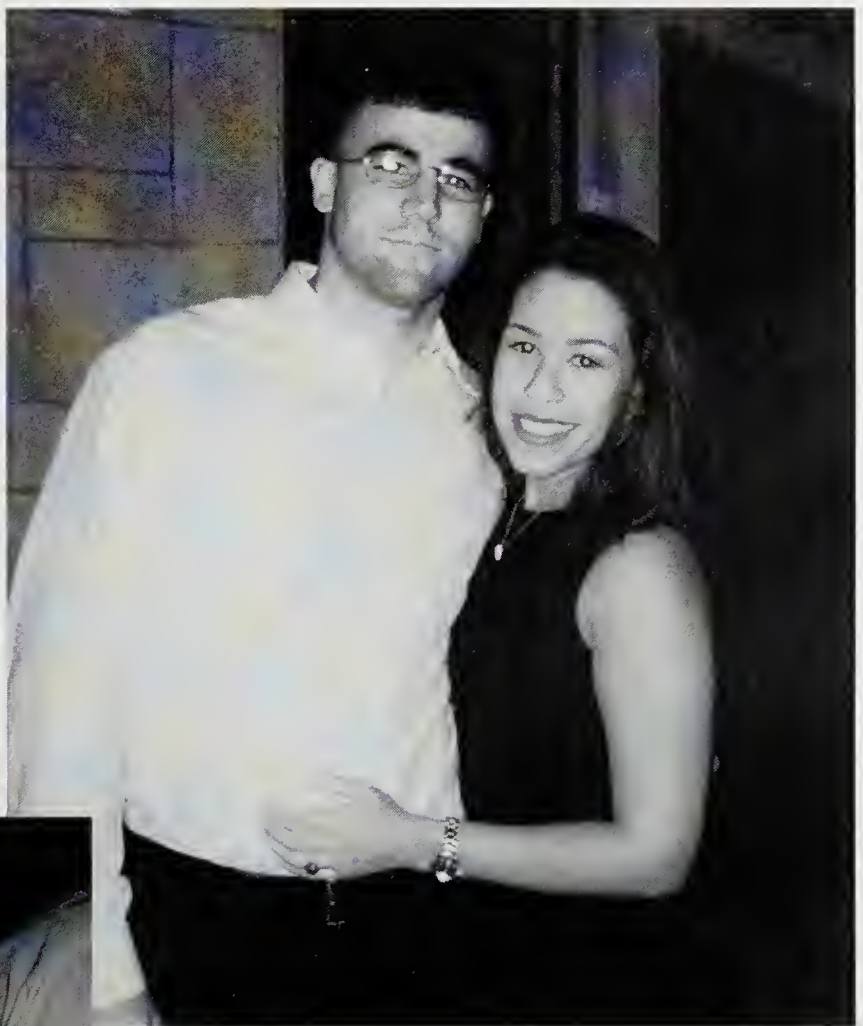

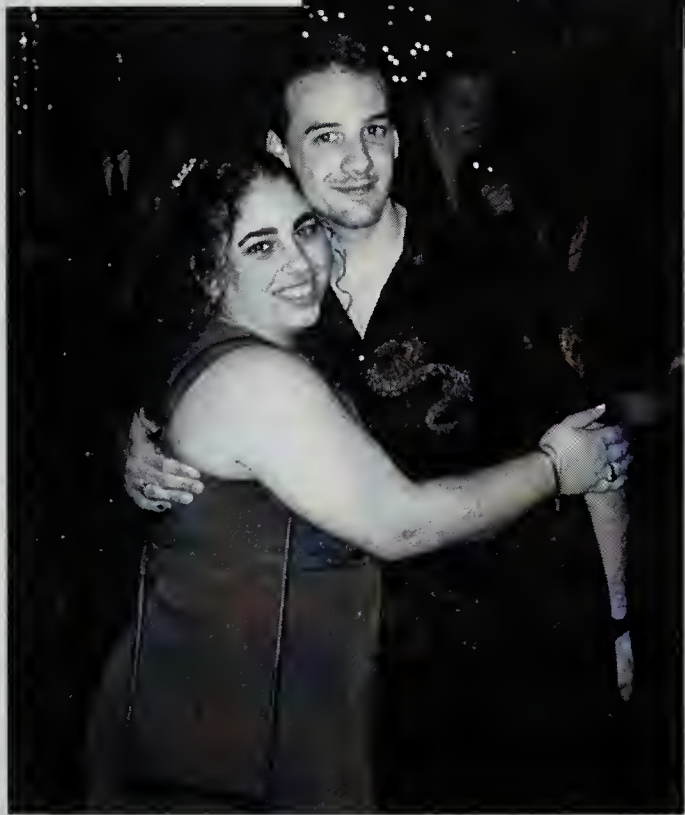

Fall Formal

The Fall Formal took place in the castle, which was elegantly decorated with Chinese style ornaments in celebration of the theme "Enter The Dragon." M'ville students broke out their dancing shoes and partied the night away with friends, and, sometimes you even see some members of the faculty, staff, and administration bust a move. The Formal is one of the most talked about nights of the year, allowing everyone to dress like stars for a night!

Q U J A M D

Quad Jam is a highlight of the spring semester, and most Manhattanville graduates consider Quad Jam one of their fondest memories. Students start talking about Quad Jam on the first day of classes and don't stop until the event! For one day, the entire campus is out together, partying on the Quad. It is not unusual to see students camping out and enjoying recreational activities. People drag out couches and set up the Quad as a campus living room to watch the bands, who are set up in front of the Castle.

Staples at Quad Jam included Manhattanville bands IZZ and Guy Smiley, with many local bands joining in the effort. Headliners make the night, and last year, Brand Nubian rocked the Quad. People were dancing and partying, singing along, and having a wonderful time. Quad Jam is a unique Manhattanville tradition that students look forward to and enjoy every spring.

PEOPLE

There is never any question that the students are the most fun, interesting, exciting, and ever-present part of the campus. We are involved in every aspect of the college and have a fun time doing it all! Sometimes, cameras catch us at our most serious, most interesting, and silliest moments. They even provide the evidence that we did something we wished no one would remember! The following pages are a testament to some of those special moments we've all had here.

The Class of 2003 is the largest class ever to come to Manhattanville, and they are certainly enjoying their freshman year. They have already become an active and visible part of the community, and they bring back fond memories of our own freshman year. Freshman year is a time of new experiences, incredible excitement, and some scary moments, but all together, it adds up to a new and exciting beginning to a wonderful college career.

Sophomores always have an interesting year. Not quite seasoned veterans, second-year students begin to emerge as campus leaders through various clubs, sports, theatre productions, activities and of course — the Portfolio. It's hard to believe it, but college is halfway over for the Class of 2002, that came in as the biggest class ever and has had the time of their lives! They are definitely going to make the second half of the ride as fun as the first.

The junior class has been an important part of the Manhattanville family since they came aboard as the Class of 2001 three years ago. They have brought the senior class and each other many laughs, some tears, great memories and lifelong friendships. They definitely know how to have a good time! The juniors have been everywhere and done everything, and yet, have another year to go! They will be emerging as stars of the millennium, just as they have become stars at M'ville.

Class of 2000

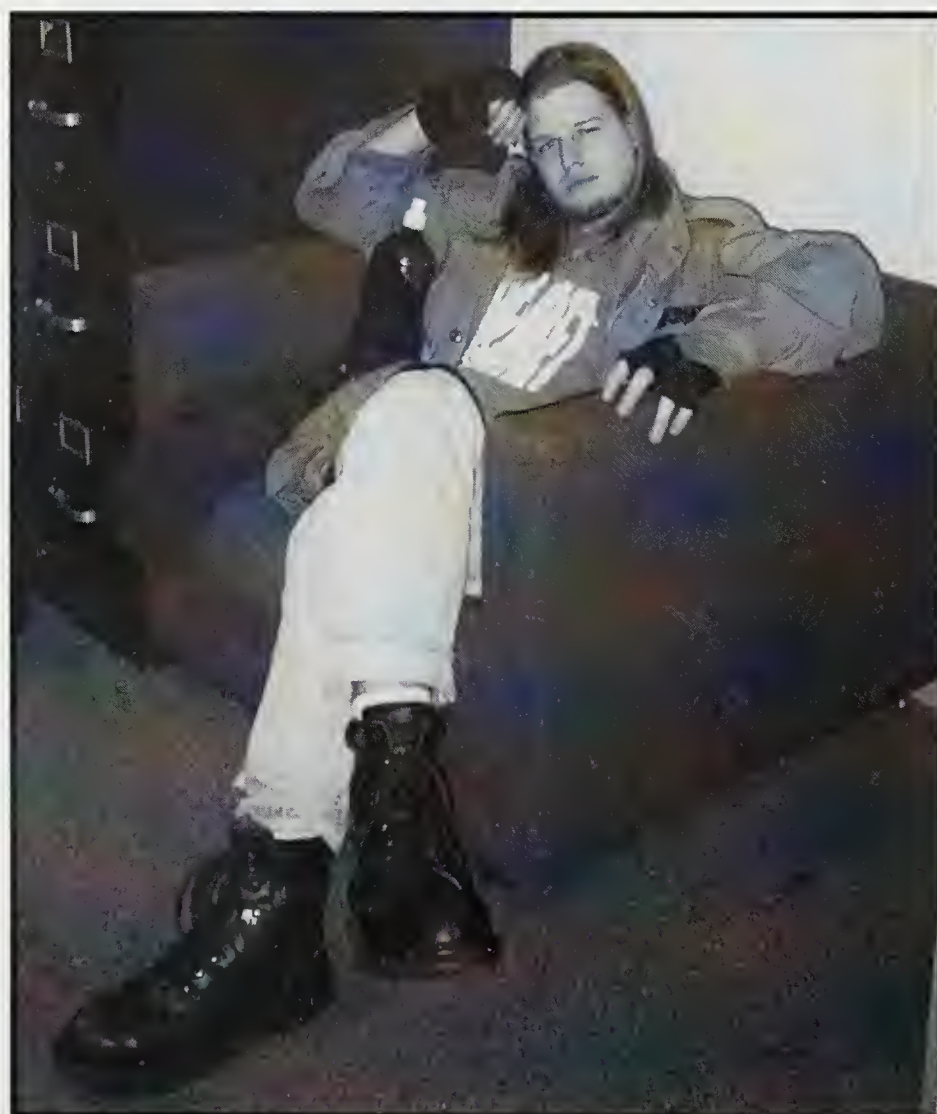

It is hard to believe that in four short years, we have come so far. The senior class is a vital part of the campus, and, as we like to think, probably the most important! Not only is the senior class in a position of leadership and responsibility, we know how to have a really good time! We have definitely made the most of our senior year, as the pictures here speak a thousand words. Keep shining Class of 2000!

and partying! These nights, put together by Monique Perretti, Senior Class President, were definitely among our fondest and most treasured memories of Manhattanville. As we get ready for the future, we took out some time to party and to remember the past. GO SENIORS!

SPORTS

The 1999-2000 season was a memorable year for Manhattanville's Athletic Department. It was the first year of our Hockey and Golf programs, and the beginning of the tenures for five different coaches and Sean Frazier our new athletic director. It was the Year of Soccer's glory, Baseball's rejuvenation and Basketball's renaissance. 1999-2000 marked the end of the careers of four year cornerstones John Galgano, Pete Rotolo, Erin McKay, Ann Spataro, Sara Smith, Leif Gagliardi, Jean-Marc Berne, Danielle Ruggerio, Renee Gillette, Bridget Buckley and Sara Matczak and the beginning of the careers of some outstanding Freshman.

WOMEN'S SOCCER

Lost in the headlines because of the magical run by their male counterparts, Women's Soccer quietly put together a remarkable year. The Lady Valiants compiled a 9-6-1 record and outscored their opponents 29 to 19. Rookie Susan Horton scored eleven goals while Co-Frosh Liz McNamee shined in goal. The team graduated six sensational players: Erin Mc-Kay, Bridget Buckley, Lisa Ciero, Tatiana Behr-man, Sara Matczak and Melissa McCaffrey.

At the beginning of the season, Coach Peter Schacter knew his team was special. He had the leadership of two proven stars (Seniors Jean-Marc Berne and Pete Rotolo,) the reigning Rookie of the Year (Nick Giacobelli) and a talented core of young players. Schacter worked his team hard and the result of his labor was the Skyline Conference Championship and a trip to the NCAA National Tournament.

WEN'S SOCCER

GOLF

EQUESTRIAN

FIELD HOCKEY

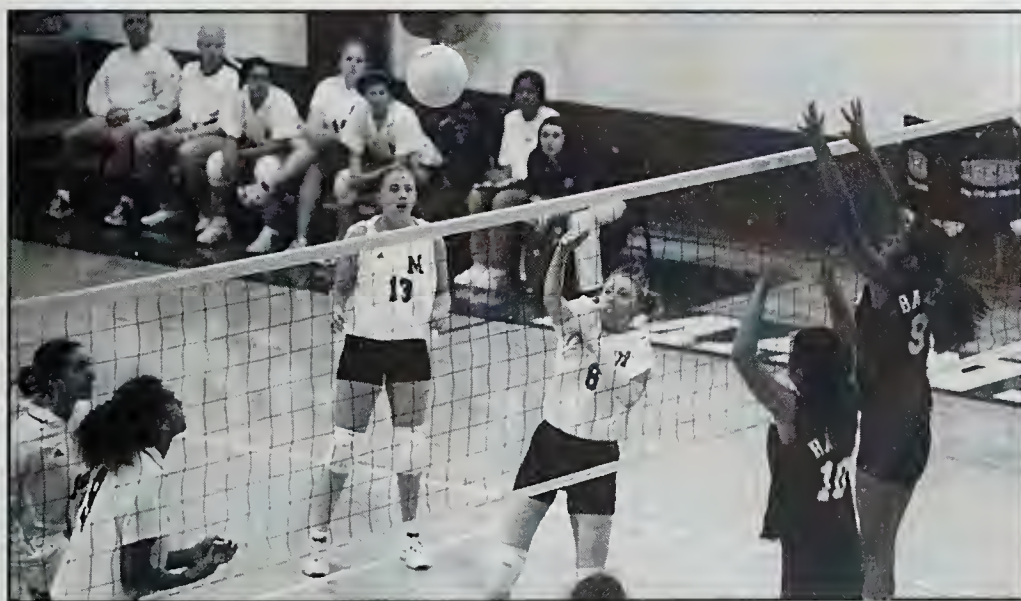

Women's Field Hockey battled through injuries and small numbers to win five games in the 1999 season. Senior Kristen Cucinell went out in style in her final season, scoring ten goals. Cucinell was assisted by the creative playmaking and solid defense of Co-senior standouts Sara Smith and Ann Spataro. Freshman Nicole Hunt was spectacular in goal posting a 2.00 goals against average.

M'ville Volleyball finished with a 19-13 mark, leaving them in third place in both the Skyline Conference and the Hudson Valley Women's Athletic Conference. All-Conference freshman Guadalupe led the Valiants in kills (227) and kills per game (2.24), and was second in service aces per game with 0.545. Junior Courtney Huisman led the Valiants in aces with 59 while Sophomore Lu Bono was second in the conference with 6.11 assists per game. This young team graduates one Senior (Ogunyemi Caraballo) and is expected to improve for next year due to a young and experienced nucleus.

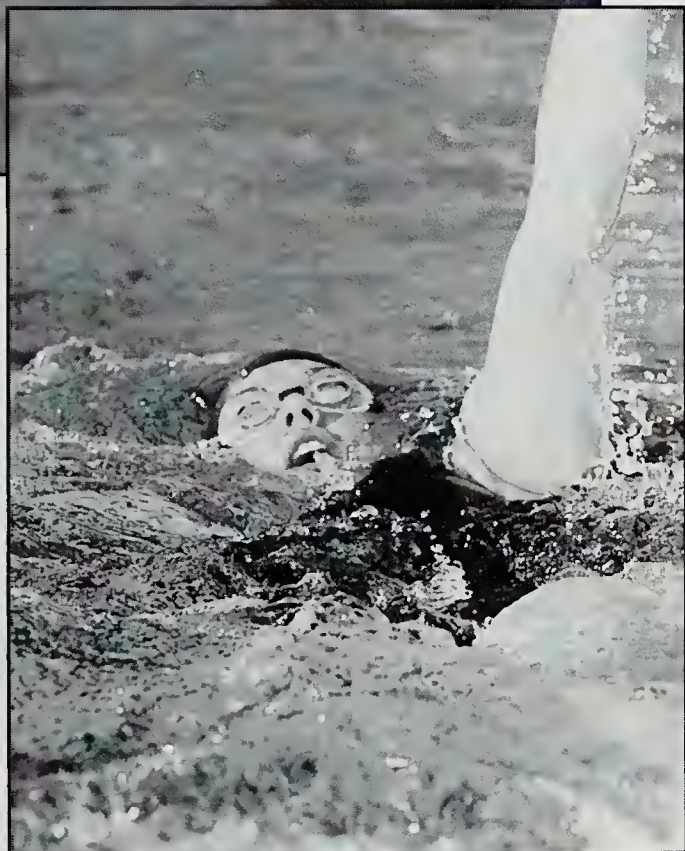

VOLLEYBALL

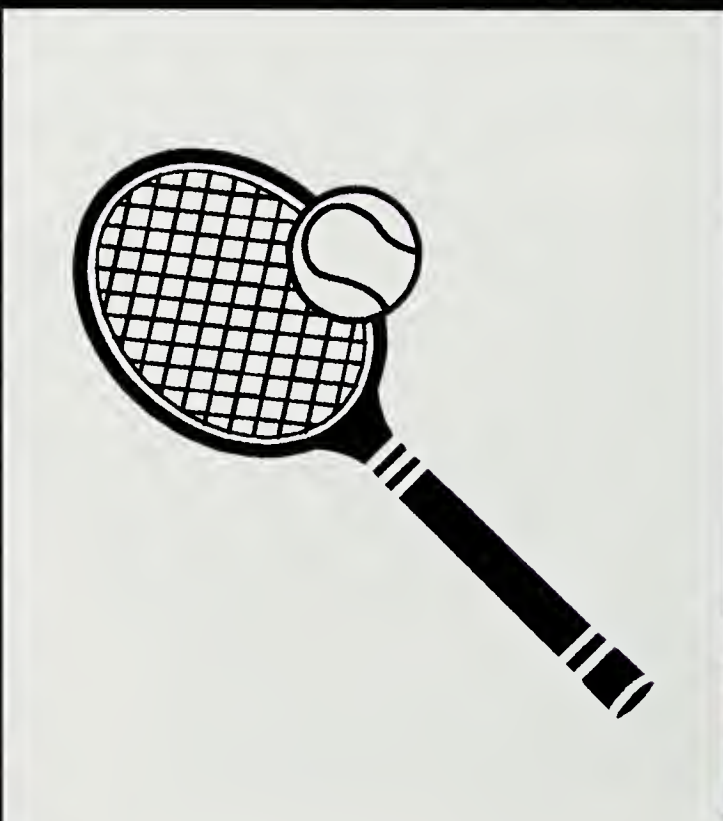

SWIMMING

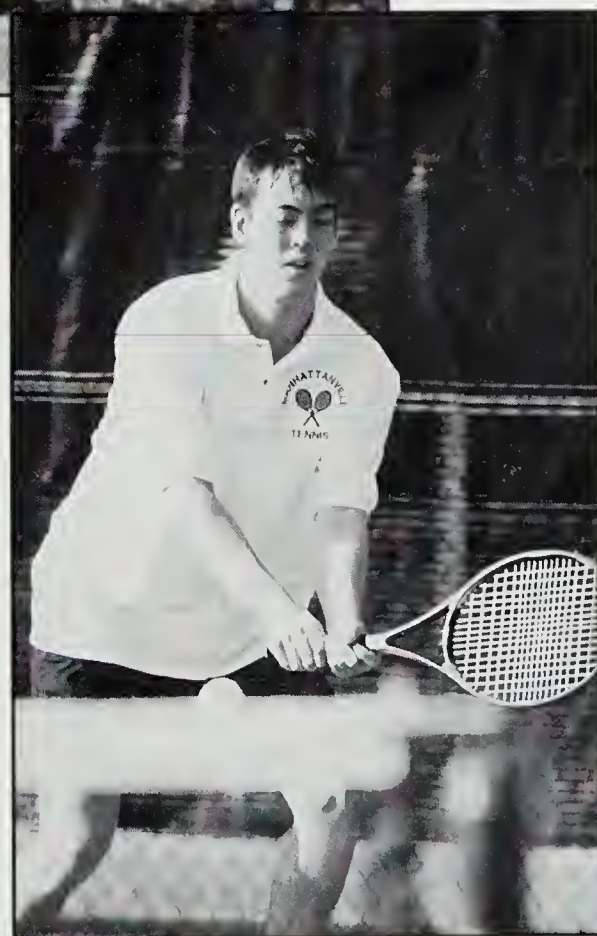

Women's swimming has a decorated history that boasts 48 All-Americans. Swimmers Nancy Archer, Trudi Lake, Sara Smith, Stefanie Topea and Heidi Schwab all had solid seasons and showed that the team's future is probably going to be as bright as its past. The Men's team was promoted from club status to team status and looks to follow the winning tradition of the Women's team. Stephen Moore and Emilio Castronovo paced the Men's team.

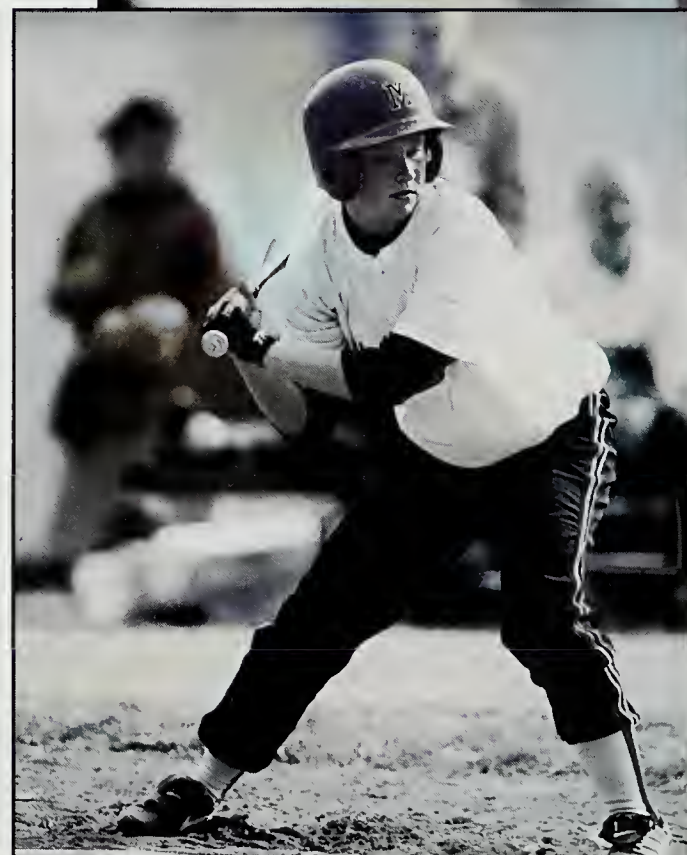

WOMEN'S TENNIS

MEN'S TENNIS

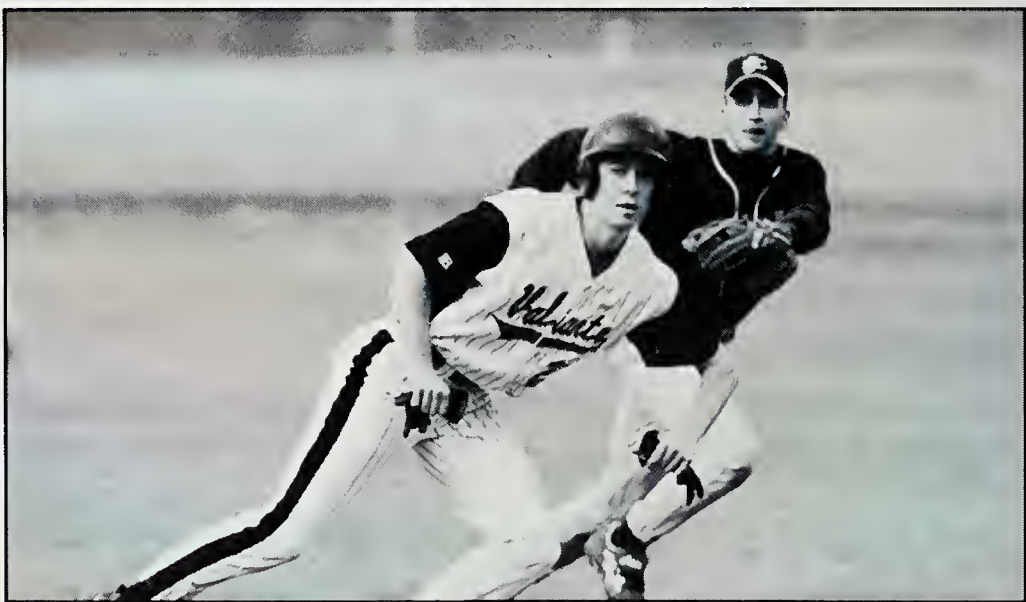

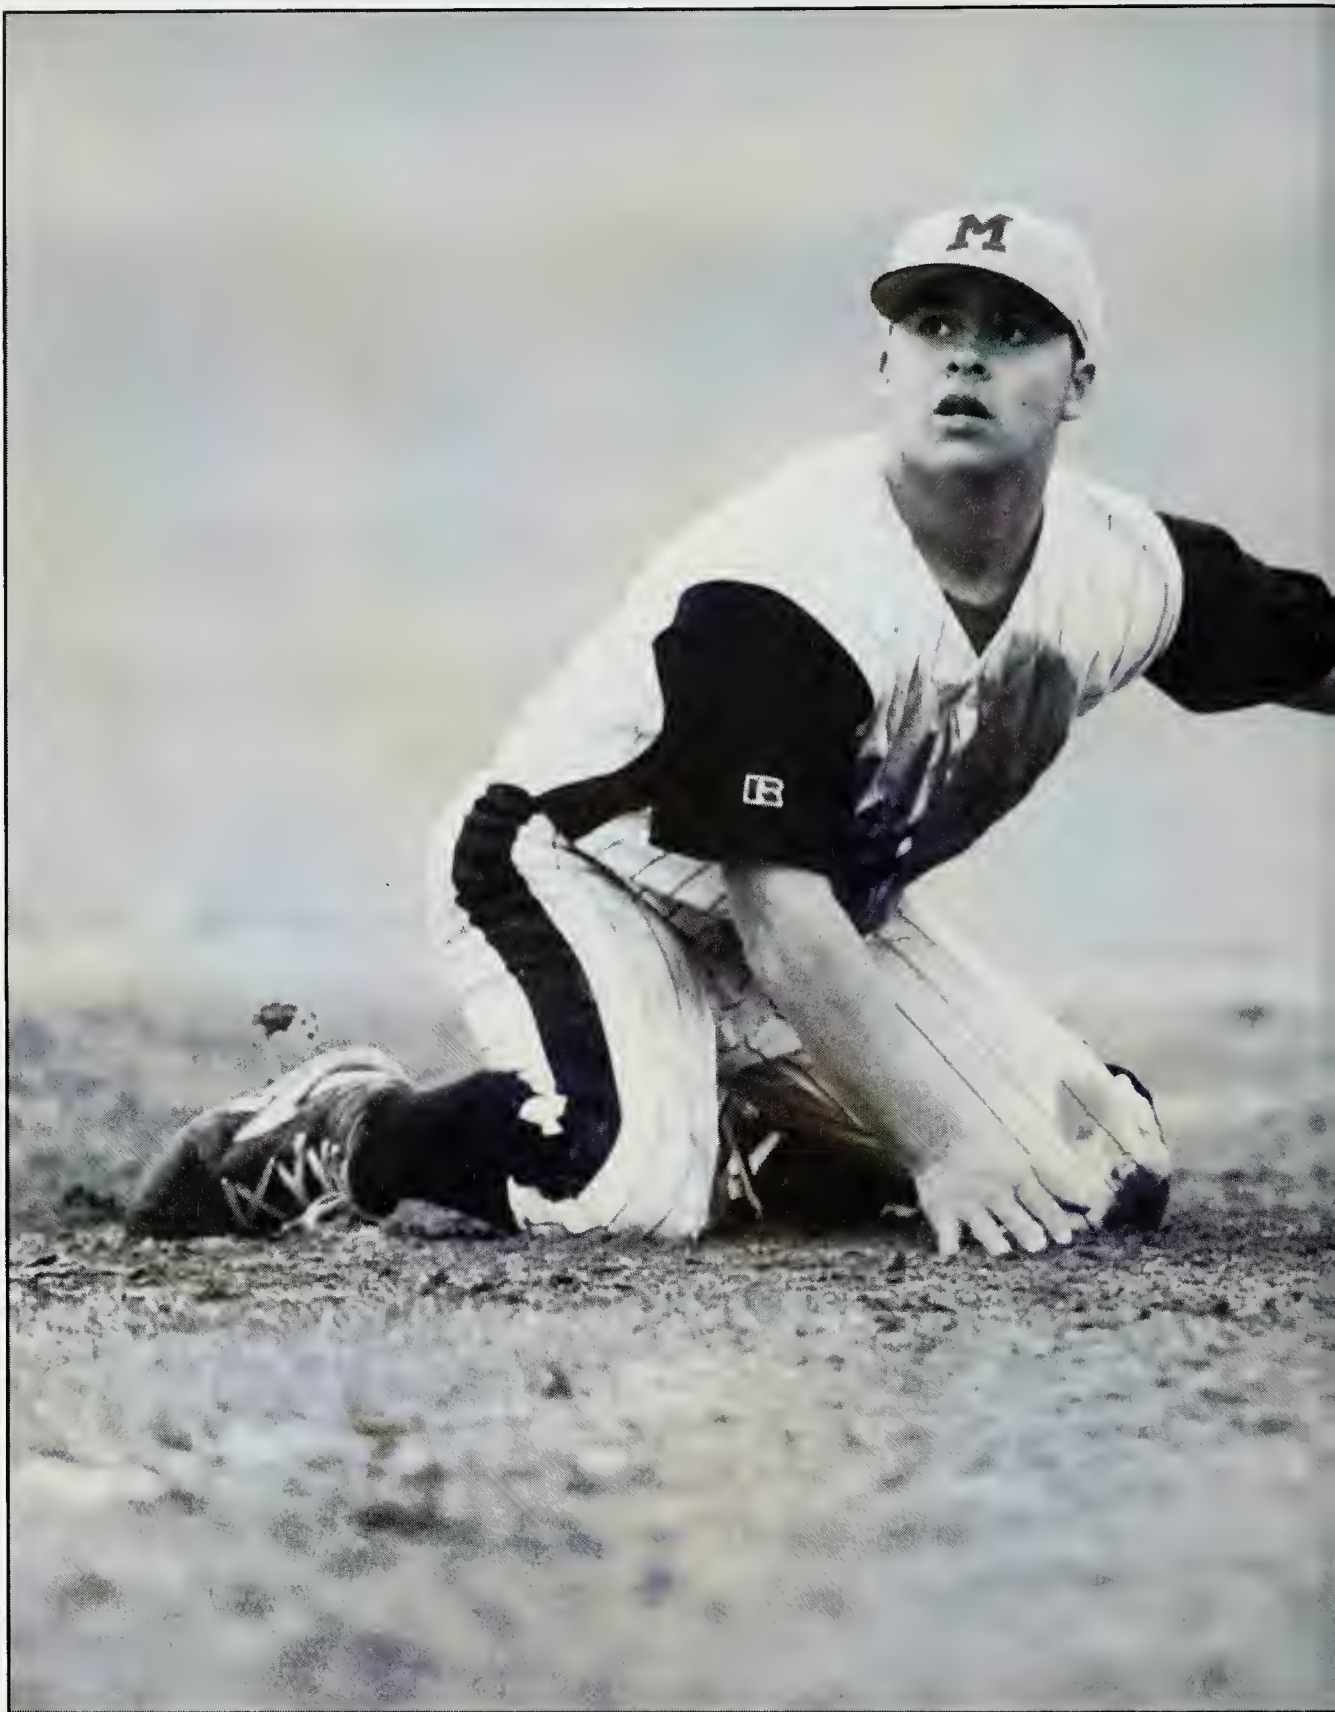

One team on campus that is noted for its incredible talent and continued success is the Women's Softball team. After the 2000 season, the team will miss seniors Renee Gillette, Bridget Buckley and Danielle Ruggiero, who have excelled over the last four years. The team is a cohesive unit, bonded by power hitting (in 1999, 5 players batted .300 or better and 3 players batted .250 or better) and talented pitching. With a large number of underclassmen, the team will undoubtedly continue to succeed in the years ahead.

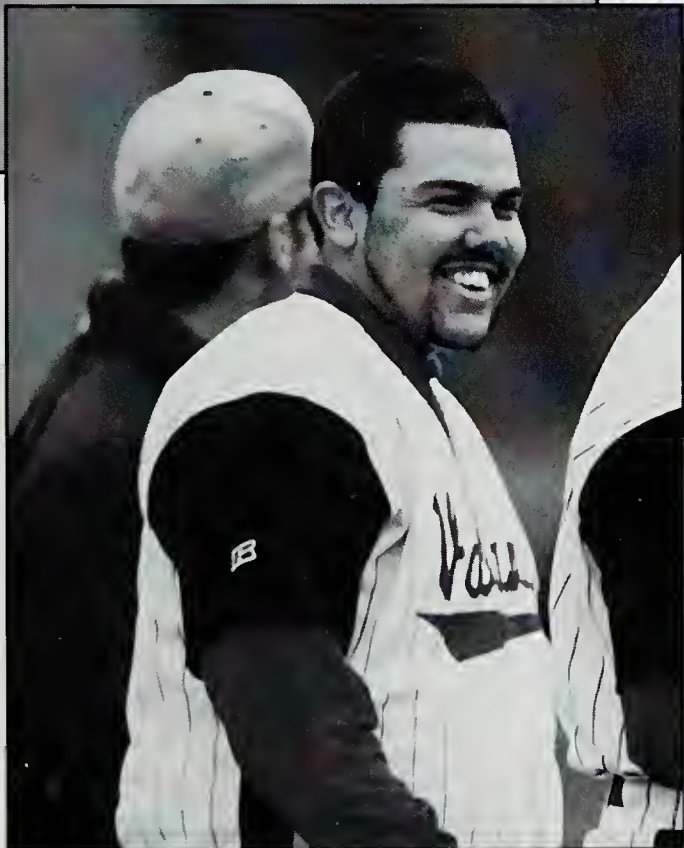

SOFTBALL

BASEBALL

Over the course of their time here, graduating seniors Joe Conetta, John Galgano, Vincent Justino, Merrill Kazanjian and Rich Trapp have made significant contributions to the Men's Baseball team. Though the team was not as successful as the talent on the team would suggest, they always had a lot of heart. During a game, fans always saw the team give 100% and enjoy themselves. Manhattanville students look forward to baseball season every year to watch one of our favorite teams.

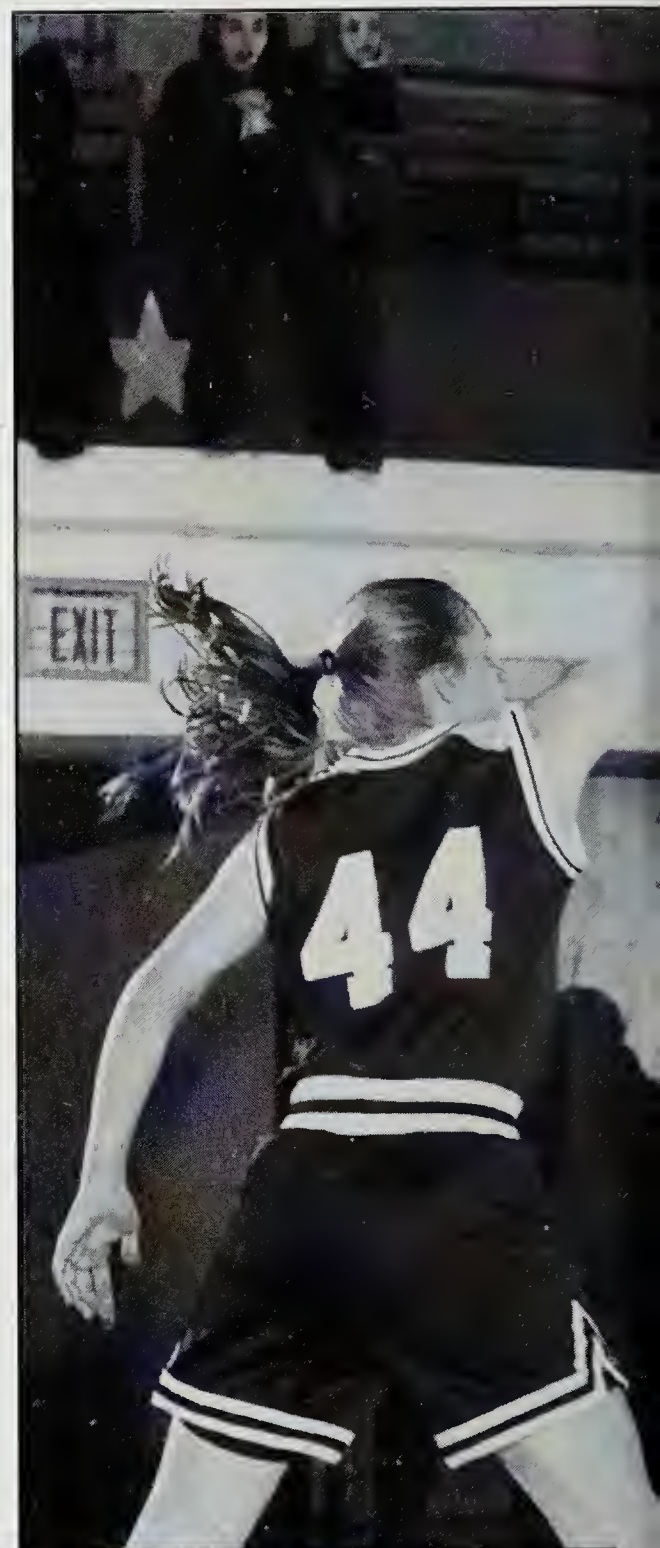

WOMEN'S ICE HOCKEY

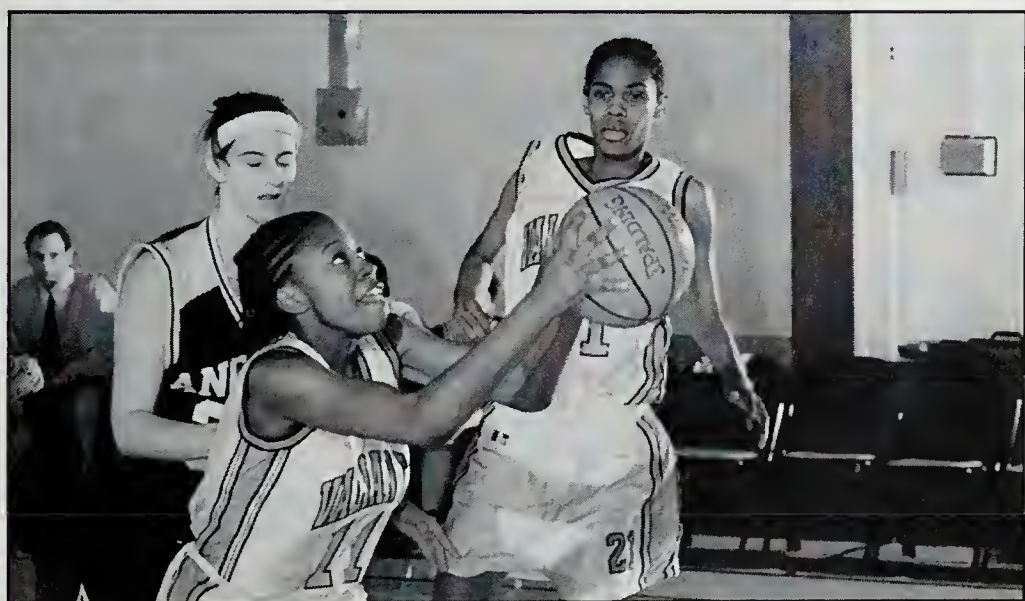

MEN'S ICE HOCKEY

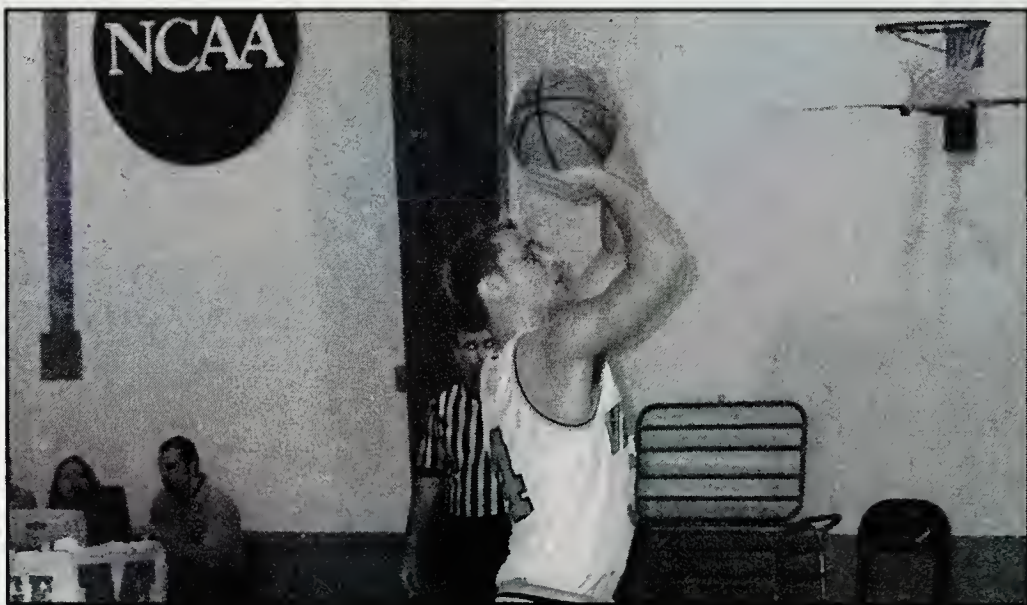

These girls got game! Known for stingy defense and perimeter shooting, the Lady Valiants are making a name for themselves in the New York area. Sophomores Adrienne Borrani and Jen Ryan have evolved their solid games, while Freshman Latasha Carlos has been schooling veteran players from around the league. The bad news for the rest of their opponents is that this team is entirely comprised of Freshmen and Sophomores. Sounds like a dynasty.

WOMEN'S BASKETBALL

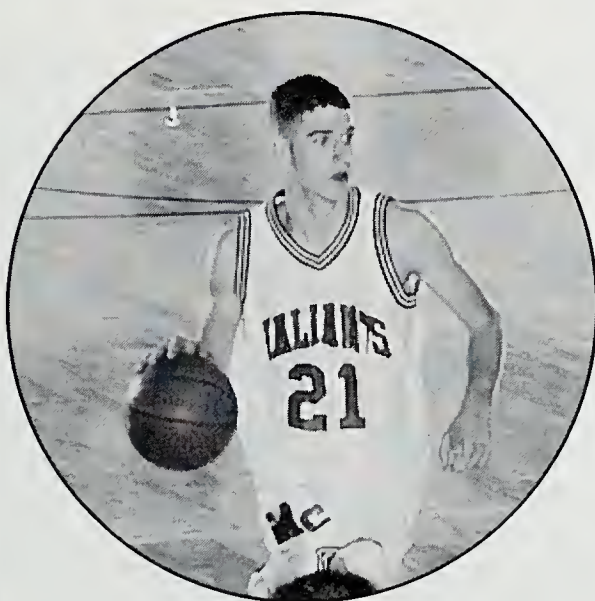

MEN'S BASKETBALL

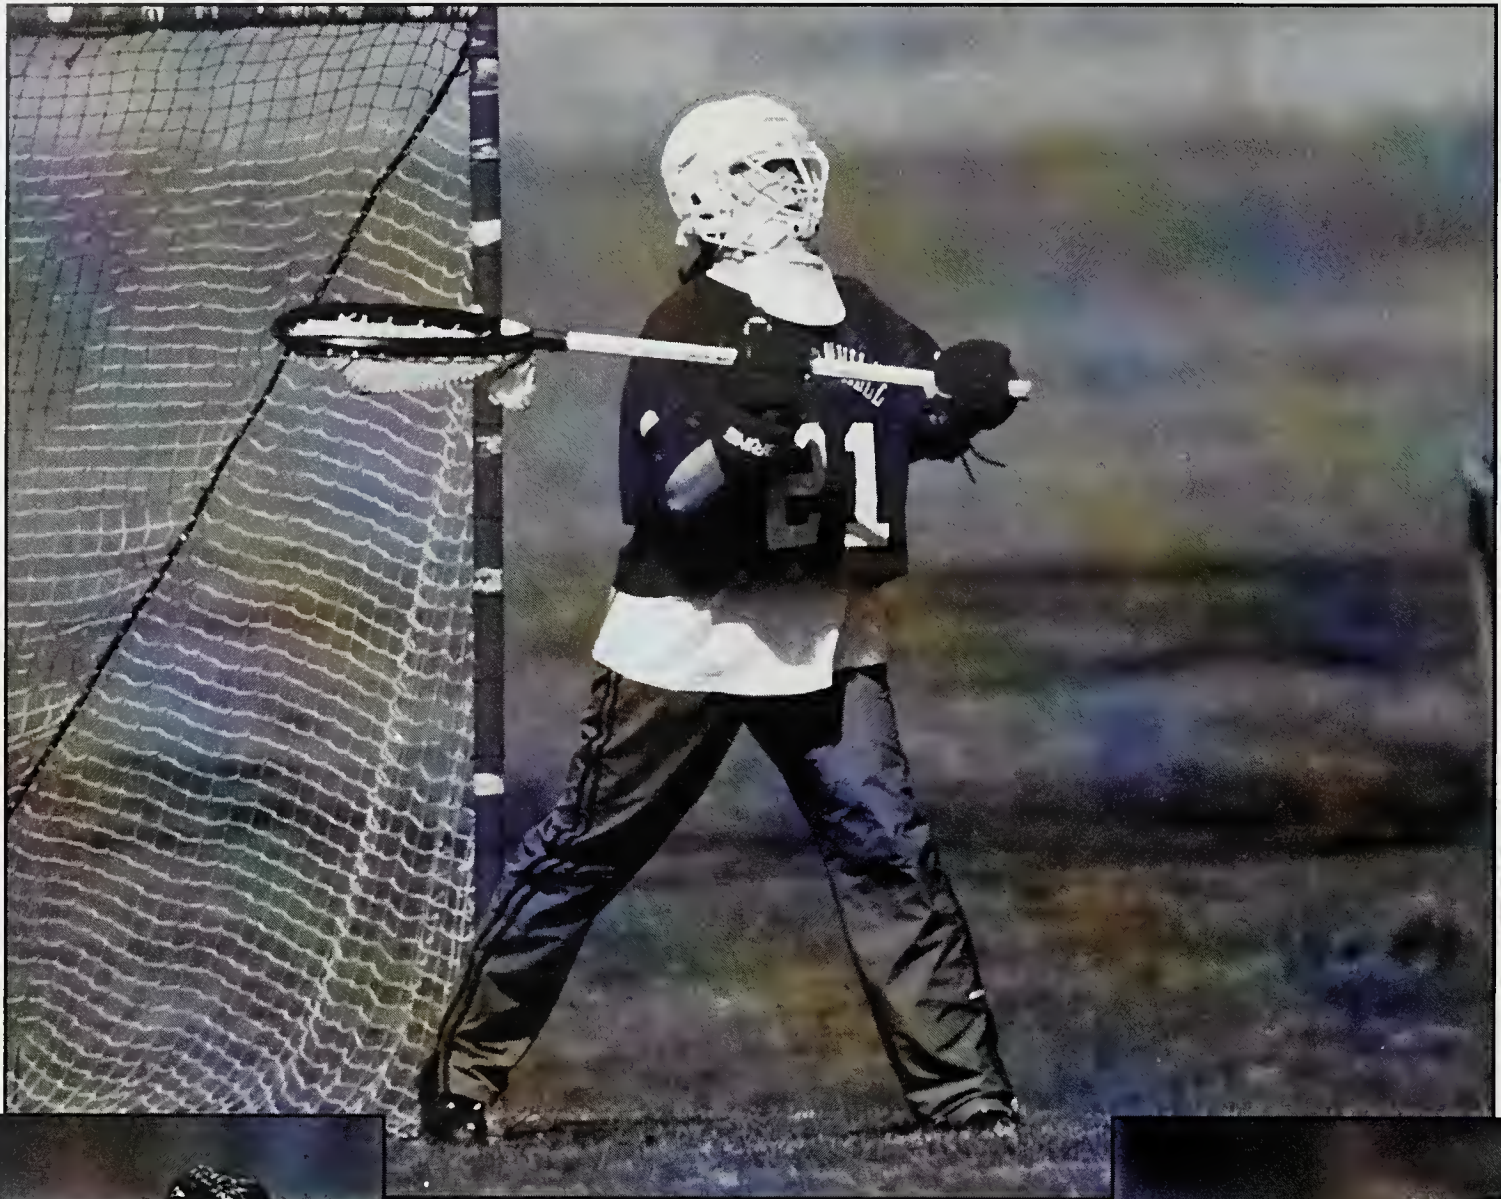

Coach Brian Curtain worked his magic yet again and the Valiants ended their 1999 season with a 16-12 record. This year the Valiants will try to continue this streak, hopefully straight in to the NCAA Tournament. Senior Leif Gagliardi is regarded as one of the top players in the Skyline Conference and is expected to be the "go to guy" for the Valiants. Sophomore swingmen Brendon Murray and Brandon Rhinehart are also expected to post big numbers for the Valiants this year.

FACULTY & STAFF

A huge part of the campus that can never be overlooked is the faculty and staff. They have had an incredible impact on our lives, and their dedication and loyalty to the students at Manhattanville ensure that we will have a fulfilling experience here. Faculty and staff have opened our eyes to many things, and they have enriched our lives. What makes Manhattanville unique is the bond that we all share, and the faculty and staff are an integral and crucial part of that. The faces you see on these pages have guided, encouraged, pushed, taught, and educated us in more ways than we had ever imagined possible when we entered these gates four years ago.

The clubs at Manhattanville are responsible for most of the social and educational events that take place on campus. Clubs do it all — from parties, lectures and movie series, to trips in the city, plays and museums. Many diverse clubs have evolved on campus, whose missions include cultural enlightenment, education, sports activity, and print media. The goal of the clubs is to meet the needs of the members of our community, and as any student can tell you, clubs do an amazing job of fulfilling that goal.

May we be friends long into our lives,
 Sharing tears and laughter,
 Watching the seasons change,
 You just have to laugh
 When thinking of some of the crazy things
 We've done together—

And they wouldn't have been half the fun
 With anyone else but each other

It's great looking back at those times
 And to all the moments
 Spent with each other...

Even the tough times
 That we helped each other through.

But, not even one
 Of those memories would be traded
 For anything in the world,
 Because they're so much
 A part of our lives.

Mary Ann, We've grown up
 together as best friends +
 sisters. It's only natural that
 we take this next step into the
 future together. Congratulations!
 Love always,
 Lisa

Missing U, love you. Candy you have always been a mother to us, and we thank you from our hearts. "You Go Girl". Love Michael and Dorrina.

Dear Candy:

I thank God that I am able to be around to share this momentous occasion with you. I have learned that when you put your mind and soul into things there is nothing you can't accomplish. Congratulations, Teacher. Love your favorite student and brother Neng and Gabby.

Dear Sis:

Congratulations on your success. I always knew you could do it and you did. You will bring joy to the lives of many in the same ways that you have blessed our family. Good luck and keep smiling. Love Butchig, Daisy and Marc Anthony.

Dear Sis:

I know your road has been tough and full of obstacles, and I am glad to see that you have persevered. I wish you the best of luck in your new career. I know you will do well. Love Eddig, Millie, Eric and Brian.

To my Sis, my best friend:

I can't begin to tell you how proud I am of you, Candy. Dulez, you did it! Always remember that God is good and with him at your side you will always have what it takes to be the best. Now spread your wings, little one, for life is at your fingertips. We love you so much, Margie, Alieia and "your daughter" Mpl.

Dear Candy:

I am proud of you for your accomplishments in life, understanding the many struggles and obstacles that lie ahead of you. I know that with God's help you will be able to overcome the challenges that come your way. Despite the love ones you recently lost, who were an inspiration in your life, you have been able to find the energy and courage to grab what life has to offer. Candy, you have made our family shine. You are a role model to our younger generation, and an inspiration to us all. God Bless you, your twin brother Fredo, Yolanda, Anthony and Brandon.

Dear Can-Can,

Celebrate life knowing that you are:

A beautiful, thoughtful and intellectual person.
A bright and shiny star (or a brand new 1986 penny).
A determined woman who always knew what she wanted.
And the admired woman who conquered it.

I thank you for so many things:

For being the hidden force that carried us for so many years.
For being fun, loving and well spirited.
For reminding us that dreams can come true.
And for never letting go of yours.

Thank you for being you. We love you.

Your #1 fans - your sister Elsie, Aida, Shanty and Ronnie.

P.S. My friends Ava, Ivy, Irma, Rolando, Brenda and Bob are proud of you too!

Dear Sis:

When it was easier to just give up you overcame many obstacles and succeeded. Congratulations on your outstanding achievement and we continue to support you in your future endeavors. Love your little brother Angel, Janet, Jonathan and Angelique.

The highest goal has not yet been achieved.
The greatest idea has not been conceived.
The loftiest honor has not been received.

The laurels are yours for the winning.

The sweetest melody hasn't been sung.
The swiftest race has yet to be run.
The noblest victory hasn't been won.

Make this your bright beginning.

What can I say — I've watched you grow into a poised, lovely, bright young woman. I have always been proud of you — your drive and independence, your love of life and your sense of humor, your abilities and capabilities. My wish for you is a continuation of what it has always been — to have a good life full of great rewards. Congratulations on your graduation! Love, ♥ Mom

To an intelligent, compassionate and wonderful daughter. I hope you realize your dreams and become successful in your endeavors. You have made me proud of you in not only what you have accomplished, but also the way you carried yourself through life's ups and downs. Pursue what you love: success and material wealth will follow. But your true fulfillment will be in touching the lives of people that you meet along the way. Love, Dad

I'm proud of the accomplishments you have made and the way you work to achieve your goals. Congratulations, Graduate. I will always be there — whenever you need me. Love Always, Mike

You are a granddaughter to be proud of. We are so happy to share your accomplishments with everyone we meet. Congratulations on your graduation and we wish you the best as you continue your education. Love, Grandma and PopPop

A daughter is someone
special, someone you know.
A daughter is someone
who's always there, even
when she's got to go.

She's one who's scared,
one who fears, one who
laughs, and yet does tear.

Even when we fight
it always seems like
nothing happened
cause I know you'll
Always Be, that special
daughter made just
For Me!

CONGRATULATIONS ANNETTE!

To Danielle

May God's blessing keep you always,
May your wishes all come true,
May you always do for others
And let others do for you.
May you build a ladder to the stars,
And climb on every rung,
May you stay forever young.

May you grow up to be righteous,
May you grow up to be true,
May you always know the truth,
And see the lights surrounding you.
May you always be courageous,
Stand upright and be strong,
And may you stay forever young.

May your hands always be busy,
May your feet always be swift,
May you always have a strong foundation,
When the winds of changes shift.
May your heart always be joyful,
May your song always be sung,
And may you stay forever young.

"My college experience wasn't what I planned. It bore no resemblance to the pictures in the brochure, but I'm not unhappy. I don't think any of us are. We got what we needed out of it. It's kind of like when you go on vacation — you plan everything out, but one day, you make a wrong turn or take a detour and you end up in some crazy place you can't find on a map doing something you never thought you'd do. Maybe you feel a little lost while it's happening, but later you realize it was the best part of the whole trip."
